Garage Narratives:

- Greater Tacoma Convention Center hosts several large and small events that require a diverse approach to event parking.
- Neighborhood partnerships with UWT, Marriott Tacoma Downtown, and Courtyard Marriott help diversify the parking ecosystem beyond events.
- E Lot is assigned as permit only parking until 10:00am on Weekdays.
- Marriott Tacoma Downtown operates parking floors P2, P3, P6 independently from GTCC. Public parking is available within their parking system and they offer similar rates and validation options.

Overview Map & Q&A

What is an electronic license plate pay station?

A kiosk-style electronic parking meter that handles payment for patrons via their license plate. Once you have paid for your parking for your vehicle, it is valid even if you move parking spaces or leave and return until the duration has expired.

*Parking is not guaranteed if you leave and return because this option is based on available occupancy.

How does the parking system work?

It's as easy as (1) park, (2) remember your license plate number, (3) proceed to the electronic pay station to pay or pay via the Flowbird App*.

If there has been a validation code arranged, you would still follow these steps but use the code instead of a payment.

*When using the Flowbird App, please select the Lot A, D, E, or P4/P5 site dots on the app to ensure you pay for the correct lot you parked in.

Are there pick up and drop off areas?

0-15 minutes – A Lot - No Charge (pick up and drop off of pedestrians only)

Is parking validation available for my event?

Yes, contact Reef Parking manager Eric McMillan – eric.mcmillan@reefparking.com or call the office at 253-627-4401

Where are the parking lots?

Lot D: Entrance on the west side of Court C Street between 15th St. and 17th St.
